Subject: Request for Info - File # 1171-EX-ST-2018

Message:

I am unable to change emission designation; it says the applications is in the final stages and I cannot amend. However, I think I have a separate submission that is a mere copy of this one. I only need one. I think I filled the other one out correctly. You can refer to that one. It is confirmation number: EL550707. All other information should be the same. It is file number 1177-EX-ST-2018. Please let me know if there are any other issues.
