

**Exhibit 1**

In connection with this renewal, the following is noted:

1. The new POC for any technical questions related to this application, or the license in general, is as follows:

Daniel W. Holt  
Program Manager  
3290 16th St.  
Bedford, In. 47421  
PH 812-277-2812  
Cell 812-227-0022  
Daniel.W.Holt@saic.com

2. The new Stop Buzzer information is as follows – it is requested that upon grant of the renewal Special Condition 5 be updated to identify the following as the new Stop Buzzer:

Dan Holt  
812-227-0022

3. It is requested that upon grant of the renewal the contract information specified at Special Condition 6 be supplemented to include the additional information in **bold**:

End User: Naval Surface Warfare Center

Contracts: N00178-04-D-4119 (**Task Orders FC41, FC33, FC35**)

**N68786-12-D-5400**

**Prime Contract SP0700-99-D-0301 Subcontract 1118302PT**

4. The application is signed by Lawrence E. Ruggiero, Senior Vice President, Deputy General Counsel of SAIC, the entity operating the facilities, which was spun-off from the original licensee for this station, pursuant to a transaction completed in September, 2013. Mr. Ruggiero was also the Senior Vice President, Deputy General Counsel for the original licensee entity. Filings addressing the spin-off will be made with the Commission in the near future.
