In response to the following questions:

Mr. Jetton,

Please provide the following information:

1. Contracting agency.
2. Point of contact, name and phone number.
3. An explanation to request for 36 months as opposed to 24 months experimental license.

Answers:

1) Contracting Agency - US Army Aviation and Missile Command is the Contracting Office, my Direct Customer is the Threat Systems Management Office.

2) Contracting Officer is Frencetta Morgan, 256-876-9375 and my Technical Contracting Officer is Jerry Marotta, 256-876-8556

3) 36 month period is requested rather than the 24 month because there is a final concept demonstration in the 2010 timeframe. Once this demo is complete, the contract will be completed.
