Dear Sirs,

Southwest Microwave currently holds an Experimental License (Call Sign KK2XFK, File number 4380-EX-ML-94) with the FCC. It has come to my attention that this license will expire on September 1, 1996. In anticipation of this expiration date, I would like to request that the FCC re-instate our Experimental License for another 2 years.

Please reference our file number 4380-EX-ML-94. Also, please find enclosed a check for \$45.

Sincerely,

Thomas J. Kotsch
Manager, Communication Products
