Subject: Request for Info - File # 0335-EX-CM-2019

Message:

Respond to the questions below from the FAA about operation near Alexandria, VA:

1. Is this radar being used for any UAS detection or Counter-UAS functions?
2. Since the operating radius is 100 km with a generic center coordinate, will there be any attempts to use this at or near any major airports (DCA, BWI, IAD)?
3. Is there any governmental and/or military involvement with this testing, including FAA?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 13, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
