Subject: Additional Information Request

Message:

Mr. Sangani,

On the matter of the additional request for information on FCC File: 0504-EX-CN-2019 dated 7/18/2019, requiring FAA Pre-coordination for Syracuse NY, and Chantilly VA, pre-coordination for both locations was submitted to the FAA for review on 6/20/2019. As soon as the FAA issues NGT numbers for both locations, I will upload the documentation to the FCC as an exhibit for 0504-EX-CN-2019.

Regards,
