Subject: File Num#0504-EX-CN-2019 reminder on FAA pre-coordination data request

Message:

Sirs,

Regarding the correspondence from 7/15/2019 on the matter of FCC file 0504-EX-CN-2019, as a reminder of FAA pre-coordination, SRC has filed pre-coordination requests to the FAA on 6/20/2019 for the Syracuse NY, Chantilly VA, and San Antonio TX locations. We have been granted an NGT number for our San Antonio TX location, and it has been uploaded to the FCC for 0504-EX-CN-2019. As soon as the remaining two locations are granted NGT numbers, the documents will be uploaded to the FCC as exhibits to 0504-EX-CN-2019.

Regards,
Anthony Cimo
