Part 4:

Change special conditions paragraph (1) to read:

- (1) This authorization is issued for the express purpose of conducting experimental operations described in the related application and required by U.S. Government Contract Numbers N00014-90-C-2085, MDA972-91-C-0012, 90-F360320-000, and any additional related contracts. The use of this radio station in any other manner or for any other purpose will constitute a violation of the privileges herein authorized.
- (2) Except as subsequently authorized by the Commission, this radio station shall not be operated after the expiration date of the contract designated in the related application and enumerated above.
