Subject: Request for Info - File #0151-EX-ML-2015

---

Message:

Attn: Doug Young

An updated experiment description document has been submitted for file number 0151-EX-ML-2015. The reason for the license modification request is to add the following test locations: Muskegon, MI, Fort Walton Beach, FL, and Huntsville, AL. There are no planned hardware changes to the radar system since the previous Experimental License has been issued.
