Re: Re-instatement of Call Sign WPJA496

Dear FCC:

AirTouch Cellular hereby requests that Call Sign WPJA496 be re-instated. A surrender letter was submitted on April 30, 1997 with the incorrect call sign listed. This cancellation appears on Public Notice 1937, File No. 9508881. Please correct this error for future records. A letter canceling the correct Call Sign is being filed simultaneously with the Commission.

Thank you in advance for your assistance in this matter. If you have any questions, please call me at (415) 658-5169.

Very truly yours,

Betsy Peterson
FCC Compliance Specialist
