Subject: Request for Info - File # 0056-EX-CM-2018

---

Message:

Frequency coordination with the FAA has been completed through their FCR system with track number TRK 182187. The resulting NG T 180173 was received today. The FAA PDF file was submitted as an attachment to file no. 0056-EX-CM-2018 today. Its reception needs to be verified as this application was already paid for via Form 159. Please let us know if you need anything else.  
Thanks for your consideration.
