Subject: Request for Info - STA File #0493-EX-ST-2013

Message:

Government agencies possibly affected by your proposed operations have asked that you supply the following information:

- 1) Does the UHF beacon on the satellite have the capability of being shut down when in view of any early warning radar?
- 2) Provide stop buzzer contact information and schedule of use.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 17, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
