Sandel Avionics, Inc.  
Mr. John D. Fageol  
2401 Dogwood Way  
Vista, CA 92081

Dear Mr. Fageol;

This is in response to your request for a radio frequency for flight testing from Aviation Spectrum Resources Inc. (ASRI) Based upon our conversation, there is no fixed transmitter site, but you would like ASRI's concurrence for use of a radio frequency in the area of Vista, CA in San Diego County, CA.

ASRI recommends the following:

Frequency: **131.100 MHz**  
Output Power: 20 Watts  
Location: 300 nm of Vista, CA/ San Diego County, CA  
Duration: January 1, 2017 until April 15, 2017  
Emission: 5K00A3E / 5K60A3E / 6K00A3E  
Operational Altitude: LL

This concurrence is provided on a non-interference basis to ASRI licensed stations.

ASRI anticipates that this concurrence letter will be used to assist Sandel Avionics, Inc. to obtain an experimental license directly from the Federal Communication Commission.

If you have any questions regarding this letter of concurrence, please email me at [ccw@asri.aero](mailto:ccw@asri.aero) or via telephone at 443-951-0344.

Sincerely,

Christopher Wheatley
