Subject: Request for Info -STA File #0957-EX-ST-2013

Message:

Provide an explicit analysis of whether the heat resulting from battery failure could result in a debris-producing rupture of the container with integration phase retained air.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 21, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
