Subject: Request for Info - File # 1493-EX-ST-2018

---

Message:

The applicant should resubmit the frequencies in a more standard format, e.g., 1000000 kHz should be expressed as 1 GHz. Also, applicant should enter far fewer and larger frequency bands. As is, this would generate a 46-page coordination sheet, which would be extremely difficult to coordinate with all the required entities and for those entities to review.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 30, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
