

Screened Images is requesting Special Temporary Authority to allow the Managed Access System (MAS) at Mississippi State Penitentiary (MSP) to prevent contraband devices from utilizing the FirstNet signal that is operated on Band 14. This request is made due to riots that have taken place on prison property over the past week.

Screened Images operates the MAS at MSP, which is located at 590 Parchman Road 12, Parchman, MS 38738.
