Subject: Request for Info - File #0185-EX-PL-2015

---

Message:

Why is this application being filed when you still have authority under 0205-EX-ST-2015 for more than four more months? You have been operating at Mule Creek State Prison since April of 2013. If you would be approved for two years on this new application, that would be more than four years of operation. Experimental licenses are supposed to be for test and demonstration, not for operating a system. Explain why we should continue issuing experimental licenses for this operation.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 31, 2015 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
