DISMISSED-WITHOUT PREJUDICE

Dear Daniel Flynn,

This refers to application, File No. 0123-EX-CM-2017, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. One-time, short-term demonstrations should not be filed on Form 442 as modifications of license. They should be filed as requests for Special Temporary Authority (STA). In this case, however, it will not be worth your time to file an STA because the Commission cannot evaluate your request with such a short lead time.

Responses to this correspondence must contain the Reference number : 37105

Sincerely,

Anthony Serafini  
Chief  
Experimental Licensing Branch
