Washington, DC 20554

Subject: Interference mitigation Plan for CMRS, emergency notification or public safety bands.

Dear Sirs:

Subject:

Location:	Operation will be limited to our engineering lab located at 15370 Barranca Parkway, Irvine, CA 92618 / USA
Hours of operation:	During normal business hours (8AM to 6PM Pacific Time).

Mitigation plan:

- All equipment will be clearly marked in the engineering lab.
- Spectrum will be monitored during the experiment
- Operation hours restricted to normal business hours
- Engineering personnel present during experimental operation.

If a complaint of interference is received, the equipment will be shut down immediately.
