Subject: Additional Information Request

Message:

I suggested the best course of action after a recent similar encounter with the coordination process. You would have to start all over again once the frequencies expire from the NTIA database.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 24, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
