Message:

Mr. Woodcock,

In accordance with the FCC CFR 47, Part 5.61(b), you may continue operations only if an application for a regular experimental license has been filed 15 days prior to the expiration of the STA. Your previous STA File No. 0507-EX-ST-2009 was expired on May 16, 2010 and the pending STA File No. 0291-EX-ST-2010 was submitted on June 7, 2010; therefore, you have missed the time limit to request for an extension of your current operation. If you are operating under previous license File No. 0507-EX-ST-2009, please cease operation and submit an application (Form 442) to request for a regular license

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 14, 2010 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
