DISMISSED-WITHOUT PREJUDICE

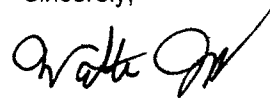

Dear David G. Jones,

This refers to application, File No. 0060-EX-ST-2013, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. NTIA objects to the instant STA request because there are multiple Air Force and DoD spectrum assignments that could be harmfully impacted in the greater Fairfax County, National Capital region area. Since this test is supported by an AFRL/RIKF USAF project contract, the applicant shall seek spectrum supportability via Air Force/DoD channels.

Walter Johnston  
Chief  
Electromagnetic Compatibility Division
