Subject: Request for Info - File # 1115-EX-ST-2017

---

Message:

Some frequencies in your requested band of 698-894 MHz are not allocated to the commercial mobile radio services. For instance, 758-768 and 788-798 MHz are assigned to FirstNet and you would need to obtain their permission to use those frequencies. There are also frequencies within your request that are allocated to public safety. Amend your application to include only the frequencies you have consent to use.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 16, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
