Message:

Mr. Montgomery,

The first location, Antelope Island (DAVIS), UT is fine. I just need for you to change the lat/long on your experimental licensing application for the second location, Salt Lake City (SALT LAKE), UT because it falls on the Great Salt Lake area. It's ok, if you want to change the location to Magna, UT but you need to do it because I can not log on your application to make the change. Thank you,

Mr. Trevino
