

**PURPOSE OF MODIFICATION**

Lockheed Martin Corporation, on behalf of Sikorsky, hereby requests modification of license WJ2XDK in order to add the L-band frequencies of 1737-1738 MHz at each location for fixed operations.

No other changes are contemplated to the currently licensed parameters.

Lockheed Martin also respectfully requests that the FRN associated with the instant application be corrected to 0017533100, consistent with the original grant of the subject license.
