Re: Notification of Consummation of Transfer of Control
of Part 5 Experimental Licenses; File No. 0035-EX-TU-2005

To the Commission:

This is to advise the Commission of the consummation of the transfer of control of the experimental licenses issued under call signs WC9XHH, WD2X SX and WD2XTC held by SkyTel Corp., to Verizon Communications Inc., as granted under File No. 0035-EX-TU-2005 (Parent Application), and 0079 through 0081-EX-TU-2005. The transaction was closed on January 6, 2006.

Although Part 5 of the Commission's rules does not specifically require the filing of a notice of consummation, this notice is provided out of an abundance of caution to ensure the FCC's records include such notification.

If you have any questions regarding this matter, kindly contact the undersigned.

Respectfully submitted,

VERIZON
