Application Narrative for Proposed Equipment

Proposed Program

SkyWest Airlines is proposing GPS within their aircraft hangar building for testing purposes.

Objectives

We seek to accomplish the following objectives:

- Illumination of the part of the aircraft facility, located at 1600 W Gowen Rd., Boise, ID with a GPS signal to allow for the testing and experimentation indoors for continued exploration of utilizing GPS technologies within their aircraft to provide innovative applications and continue to provide safe products.
- 2. Further design, development and enhancement of existing GPS applications to provide greater efficiency and more effective means of utilizing GPS derived information
