Subject: SkyTel STA Request

Doug,

Per my voicemail, and pursuant to OET's August 31, 2005 Public Notice (attached), SkyTel Corp. ("SkyTel") (FRN: 0001744465) hereby requests Experimental Special Temporary Authority ("STA") for operation in the 3.65 GHz band in support of Hurricane Katrina relief efforts. In particular, SkyTel's Purpose of Operation is as follows: Providing temporary wireless Internet communications to various relief groups, federal, state and local government agencies and businesses in the greater disaster areas left by Hurricane Katrina.

SkyTel requests this STA for fixed and mobile operations in three locations in the states of LA, MS and AL. Specifically, we request a 40 mile radius of mobile operation about the coordinates listed below. The technical details of operation are as follows.

Location 1

City: **New Orleans, LA**

Station Class: **FX**

Coordinates: **29-57-13; 90-04-42**

Frequency: **3650-3700 MHz**

Authorized Power: **50 W (ERP)**

Emission Designator: **3M50W1D, 7M00W1D**

Frequency Tolerance (+/-): **0.004 %**

Station Class: **MO**

Radius of Operation: **40 Mile (64.4 km) radius about 29-57-13; 90-04-42**

Frequency: **3650-3700 MHz**

09/21/2005

Authorized Power: **50 W (ERP)**

Emission Designator: **3M50W1D, 7M00W1D**

Frequency Tolerance (+/-): **0.004 %**

Location 2

City: **Biloxi, MS**

Station Class: **FX**

Coordinates: **30-23-51; 88-53-18**

Frequency: **3650-3700 MHz**

Authorized Power: **50 W (ERP)**

Emission Designator: **3M50W1D, 7M00W1D**

Frequency Tolerance (+/-): **0.004 %**

Station Class: **MO**

Radius of Operation: **40 Mile (64.4 km) radius about 30-23-51; 88-53-18**

Frequency: **3650-3700 MHz**

Authorized Power: **50 W (ERP)**

Emission Designator: **3M50W1D, 7M00W1D**

Frequency Tolerance (+/-): **0.004 %**

Location 3

City: **Mobile, AL**

Station Class: **FX**

Coordinates: **30-41-33; 88-02-30**

Frequency: **3650-3700 MHz**

Authorized Power: **50 W (ERP)**

Emission Designator: **3M50W1D, 7M00W1D**

Frequency Tolerance (+/-): **0.004 %**

09/21/2005

Station Class: **MO**

Radius of Operation: **40 Mile (64.4 km) radius about 30-41-33; 88-02-30**

Frequency: **3650-3700 MHz**

Authorized Power: **50 W (ERP)**

Emission Designator: **3M50W1D, 7M00W1D**

Frequency Tolerance (+/-): **0.004 %**

Please let me know if you have any questions or need anything else to process this request.
Thank you.
