Subject: ITU Cost Recovery Fees for the EdgeCube Satellite

Reference: FCC experimental application file number 0651-EX-CN-2018

Dear FCC Secretary,

The Physics and Astronomy Department at Sonoma State University, proposed operator of the subject network (herein after "applicant"), is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and modified by the ITU Council in 2001, 2002 and 2004, processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for documented fees charged by the ITU. The applicant hereby states that it is aware of this requirement and accepts responsibility to pay any Cost Recovery fees associated with these applications. Invoices for such fees should be sent to the point of contact specified below:

Prof. Lynn R. Cominsky  
Department of Physics & Astronomy  
Sonoma State University  
1801 East Cotati Avenue  
Rohnert Park, CA 94928

Thank you.
