Subject: Request for Info - File # 0283-EX-CR-2020

---

Message:

Dear Doug,

Thank you for letting me know about how to proceed with the payment, renewal, and the changes. I have now paid the fee. I acknowledge that the renewal is for the current parameters only, and I will have to wait until the renewal is approved and then submit a Form 442 for the modification of that license.

Thank you for your help,

-Joe
