Subject: Request for Info - File # 0409-EX-CN-2020

---

Message:

What is the relationship between granted application 0164-EX-CN-2018 and the current application, 0409-EX-CN-2020? They both are for the same five hangars.

I believe the same ERP error that was made on 0164-EX-CN-2018 has been made on 0409-EX-CN-2020. Is your power in the application form of 31.6 pW really EIRP and not ERP (ERP = EIRP/1.64)? 31.6 pW ERP is too high for a distance of 100 feet. Review the correspondences of 0164-EX-CN-2018.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 08, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
