Subject: Request for Info - File # 0173-EX-CN-2021

Message:

The DAS survivability analysis provided in the ODAR shows the entire spacecraft is being modeled as one solid object. Provide a survivability analysis that takes into account the components of the spacecraft (antennas, solar panels, etc.).

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 01, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
