SUBJECT: **Withdraw File # 0665-EX-CN-2020**

For the following we request to withdraw the application: File # 0665-EX-CN-2020.  
The reasons that motivate this request are among others, the several delays we have suffered in his particular year that we live. These delays do not allow us to complete the information your department requires on time to continue the application.  
Thank you.
