Attachments: CIRIS.RTF; OPAL.RTF

Importance: High

Correct the fatal errors in the associated SpaceCap files. See the attached reports. Additionally, change the nature of service for the uplink and downlink to something other than Space Research in both SpaceCap files. The uplink and downlink frequency bands are not allocated for space research.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 26, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
