Re: *Notice of Termination of Transmissions, ELS File Nos. 0298-EX-CN-2016 and 0153-EX-CM-2018*

Dear Ms. Dortch:

Pursuant to Special Conditions 6 and 8 of the above referenced experimental authorizations, respectively, Space Exploration Technologies Corporation (“SpaceX”) hereby notifies the Commission that the Microsat-2a and -2b test spacecraft, which were successfully launched on February 17, 2018, ceased broadband transmissions on or about September 9, 2019. The spacecraft are currently in the process of de-orbiting and should re-enter the Earth’s atmosphere and demise within the next several months.

Should you have any questions, please do not hesitate to contact me.

Sincerely yours,

/s/ David Goldman
