Date: September 10, 2021

Subject: Request for Info - File # 1475-EX-ST-2021

---

Message:

ERP Performance was increased in a development coordinated with NASA Commercial Crew Program, and at the request of NASA SARLAB and US SARSAT. Type approval for the new system is a work in progress with COSPAS-SARSAT secretariat.

The attached exhibit entitled NOAA Reply to Letter dated 21 July 2020 references US SARSAT's support of a new SARSAT beacon development.
