Subject: Amendment of FCC Experimental Application

Reference: FCC Experimental Application – ELS File Number: 0011-EX-CN-2019

Dear FCC Secretary,

Space Sciences & Engineering (SSE), doing business as PlanetiQ, hereby amends its above-referenced experimental license application originally submitted on January 3, 2019 to reflect the addition of a ground station.

PlantiQ has added an additional ground station to its FCC application and is in the process of applying for appropriate licenses. This ground station is located in Dubai, United Arab Emirates, and is managed by ATLAS Space Operations.

Modifications to the Narrative and Exhibit B reflect this addition.
