Subject: Request for Info - File #0451-EX-PL-2016

Message:

1. Submit a narrative statement describing in detail the program of research and experimentation proposed, the specific objectives sought to be accomplished; and how the program of experimentation has a reasonable promise of contribution to the development, extension, or expansion, or use of the radio art, or is along lines not already investigated.
2. You have listed an earth station in Norway and one in Antarctica. The FCC cannot license stations outside the United States. Are these stations licensed elsewhere? Are they the only receive stations for the satellite?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 24, 2016 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
