April 18, 2022

Office of Engineering and Technology
Federal Communications Commission

Subject: OET Experimental License Grant Notification, Call Sign: WM2XFW File Number:
0734-EX-CN-2021

Per Special Condition:

(1) Following launch of the satellite, the licensee must notify the FCC through electronic submission to the license file, of the status of the satellite (transmissions commenced, etc.), not later than 7 days after commencement or expected commencement of transmissions, and of termination of transmissions, not later than three months after such termination:

PlanetIQ: The SOH of the GNOMES-3 satellite is nominal; the commissioning phase is nearing completion and transmissions have commenced.
