Subject: Request for Info - File # 0135-EX-CM-2017

Message:

NASA has the following questions:

What is the antenna being used for this system and what is the corresponding antenna gain?
What is the transmit power of the equipment and the cable loss between the transmitter output and the antenna?
Where will the antenna be directed/pointed during testing operations?
Where will the testing be conducted (indoor/outdoor/shielded lab)?
Who is the Stop Buzzer POC (with phone number) for these operations?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 11, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
