Subject: Request for Info - STA File #0613-EX-ST-2017

---

Message:

The FCC's International Bureau (IB) needs the following information:

IB has reviewed the subject request and will need the antenna pattern of the earth station being tested and the ERP value.

Will there be any communication with a satellite(s) during this test?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 19, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
