Message:

Mr. Young,

On Tuesday, March 6th, I uploaded the ITU Cost Recovery Letter for the RADSat CubeSat to the ELS. Please let me know what other files are required before our application can be reviewed. We have submitted the ODAR, cost recovery letter, narrative statement, NTIA form, and a description of the research project. The SpaceCap API file was submitted in December. Please let me know if any antenna diagrams or a description of the ground station are needed. Please be as specific as possible. Thank you in advance.

Sincerely,

Michael Weinhoffer
