Subject: Request for Info - File #0689-EX-PL-2014

Message:

The 791-798 MHz portion of your request is spectrum controlled by FirstNet for a nationwide public safety network. They may or may not approve your use of these frequencies. Do you want me to attempt to coordinate these frequencies and see what happens or do you want to remove these frequencies from your request?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 06, 2014 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
