The only difference I see between this application and what is already licensed in WF2XSN is the model number of the equipment. If this is so, then the current filing is not necessary - see 47CFR5.77(a). Respond with clarification to this issue as to whether there are any other changes.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 28, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
