Mr. Cittadini,

Please provide the description of the operation to be conducted and its purpose in more details and please submit the required fee for your application.

I will not guarantee that the Special Temporary Authority (STA) application will be approved at the start of the testing on July 1, 2010. For future reference, please submit the application at least 20-25 days before the start of the experimental. We need 15-20 days (meaning when the application is in our hands) to work on it because we do have other companies; as well, waiting for their approval applications. We work as it comes, not randomly picked.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 21, 2011 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
