Federal Communications Commission
Experimental Licensing Branch
445 12th St, SW
Washington, DC 20554

Gentlemen:

We have just received the new license for Station WB2XBJ, and found a minor typographical error under the heading "Frequency."

Please correct both GHz's to read MHz. We have attached a copy of the license for your convenience. If you have any questions, please call Kayleen Burkhalter at 916-657-6174.

Sincerely,

GLEN S. NASH
Senior Telecommunications Engineer
