Dear Nimesh,

Thank you for your call. First of all I'd like to apologize for submitting the FAA coordination documents so many times. Second we have notched out the FAA frequencies as well as the CBRS frequency you shared with us. Next, we have changed the start date to 5/15/2021. Last, this is a manned flight involving a Cessna 172. Again, thank you for your assistance and please let me know if you have any more questions.

Kind regards,

Scott Spear
