Subject: Request for Info - File # 0828-EX-CN-2021

Message:

The two applications 0828-EX-CN-2021 and 0829-EX-CN-2021 are for two different models of experimental low power weather radars.

Application 0828-EX-CN-2021 seeks a license for a Raytheon LPAR2 "Skyler-2" radar.

Application 0829-EX-CN-2021 seeks a license for a Raytheon LPAR "Skyler" radar.

The two devices are very different but the RF emissions are the same.

Can both devices be licensed with the same application?

If so, we will add the Skyler-2 unit as a second device on application 0829-EX-CN-2021 and cancel application 0828-EX-CN-2021.

If not, we request that both applications be processed as submitted.

Standing by for your direction.

Thank you,
Tom Wilson
