Subject: Request for Info - File # 0650-EX-ST-2021

Message:

Trying to coordinate two, 3GHz wide frequency bands at the powers you are requesting will be impossible. You should request more precise, smaller frequency bands and you should avoid any aeronautical radionavigation bands. Amend your frequency request with the above comments in mind.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 23, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
