Dear Nathan Merritt,

This refers to application, File No. 0213-EX-ST-2020, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. NTIA objected to the FCC STA request on behalf of Systems & Technology Research for Defuniak Springs, FL during the period 1 April 2020 thru 30 September 2020, for the following reason(s):

1. There are no plans for Government sponsored tests for DARPA/AFRL at Defuniak Springs, FL.
2. Testing is not permitted to take place over the residential area of Defuniak Springs. Testing must take place within the boundaries of the Eglin Test Range Complex.
